

# Robin Class Newsletter

**Dear Parents/ Carers,**

We hope you all have a lovely Christmas! Here is a little taster of what's coming up in the Robin Class when we start 2020.

## *The Greatest Explorers*

### **What will we be learning?**

We will be looking at:

- What an explorer is and what they do.
  - Why their travels were important.
  - How they travelled, comparing transport now and then.

We will:

- Locate explorers on a timeline.
- Describe what the explorers achieved.
- Understand some of the ways that we find out about the past.

## **Snack**

*We will continue to have snack time in the mornings so please continue to send in 1 snack item every day.*

*We try to bake every week so we ask for a contribution of £4 per half term to go towards ingredients. This would be much appreciated.*

## **PE**

*Please could all children have their P.E kits in school.  
Please could we also have a spare set of clothes in school.*

### English

In English we will continue to explore word class and spelling rules. We will build on our vocabulary and use this in our sentences. We will also complete lots of fine motor activities to build the muscles in our hands.

### Maths

This half term we will be focusing on:

- Place value
- Times Tables
- Subtraction
- Division (sharing)

There are lots of fun and engaging Maths games on:

[www.Topmarks.com](http://www.Topmarks.com)

### Reading

Thank you to all the parents who are supporting your child in their quest to becoming a fluent reader. Please continue to do this and write in their Reading Record books.

### Website

Have a look around the school webpage. This is regularly updated and has a vast amount of useful information on so please keep checking it.

The website address is

[www.moorfieldprimary.org.uk](http://www.moorfieldprimary.org.uk)

### Finally

This term we have continued to improve the grounds of the resource building and we have a brilliant new climbing frame.

We have really enjoyed making hedgehog hotels, playing in our Santa's Grotto role play area and learning about where our food comes from.

We hope that you have a fantastic Christmas and a happy new year! Thank you for your continued support with your child's learning.
